Entitlement Check

This document contains the result of a Visa Entitlement Verification Online (VEVO) Entitlement Check and is valid as at Saturday March 10, 2018 18:56:00 (AEDT) Canberra, Australia (GMT +1100).

Please note: VEVO Entitlement Checks are only current at the time conducted and should only be considered valid when received directly from the VEVO system.

Important information about VEVO

A VEVO check shows the visa status and entitlements associated with a particular visa holder, such as work or study rights.

VEVO does not provide evidence of the identity of a person. Always sight the passport or the identity document, such as ImmiCard, that was used by the visa holder for the VEVO Entitlement Check; to confirm their identity and ensure that it matches the details shown below.

Employers are strongly encouraged to conduct their own VEVO Entitlement Check

People who do not have a valid visa or the necessary work conditions associated with their visa, are not permitted to work in Australia.

Employers are strongly encouraged to conduct their own VEVO Entitlement Check as it is a criminal offence to hire or refer illegal workers in Australia.

Employers who hire, or refer workers without the right to work, face serious penalties including fines or imprisonment.

With the permission of the visa holder, registered employers may conduct a VEVO Entitlement Check to confirm the status and entitlements of employees. For more information about employing a visa holder, please go to:
